Tax Law and Tax Disputes

Transportation and Logistics

We are an independent Czech law firm offering comprehensive legal services across various areas of law, including tax advice.

With over 30 years of experience and more than 90 lawyers working in our Prague and Brno offices, we serve a diverse clientele, including small businesses, global groups, public institutions and individuals. Our services are regularly recognized both locally and internationally.

Each client is our priority and receives personalized attention. Our team consists of a wide range of professionals, many of whom are among the most prominent legal experts. In addition to their client work, they frequently lecture and publish.

Through our network of partner law firms, we offer top-tier legal services in over 100 countries worldwide. We are exclusive members of the global MULTILAW network and founding members of the Horizons Alliance, which covers the CEE region.
